INFORMATION DISCLOSURE STATEMENT

Sir:

The Information Disclosure Statement filed on October 11, 2001 in connection with the above-identified application enclosed a form PTO-1449. Applicants indicated that they were in the process of obtaining copies of the documents being cited and that the documents would be forwarded upon receipt. This submission includes copies of those documents. Applicants do not concede that the identified materials constitute prior art within the meaning of the United States patent laws.

Because the initial Information Disclosure Statement was filed on October 11, 2001 (before the Office Action dated October 23, 2001), Applicants believe that no fee is due in connection with this filing. However, in the abundance of caution, Applicants enclose a check for \$180 for the submission of this paper. The Commissioner is authorized to debit Deposit Account No. 11-0855 for any deficiency in this fee and to credit the Account in the event this fee is not required.
